All matches are two games to 17, no win by 2, 17 max using rally scoring. Change sides only between the two games in a match.

If the total points scored by the 2 teams in the two matches are equal, play one more point as a tie breaker and record the winner with 18 points in the game they won.

Please circle the winning team and put score of each game in the chart with the points your team scored next to your team #

Put the point differential in your game #1 in the G1Pt box in your row, and similar for other 5 games. **Indicate + or - on Pts.**

Add your total games won and put it under "wins today" and add point differential from the 6 games and place in "Total Pts"

Tie breakers: 1. Head to Head Match for 2 way tie first by games, then total points in their 2 games together.

2. Best point differential for 3 way tie in games involving the 3 teams & then head to head if 2 are tied in pts.. 3. Incoming Standing

Maximum point differential that can be earned in a single 17 point game is 9 points

If two teams end their 2 game match with a tie in the total points scored for the 2 games, they shall play 1 more point to break the tie and change the 17 points in the game they won to 18 points.
